## **MSP SECURITY BULLETIN**

**DATE: October 28, 2016**

**FROM: Aviation Security Division**

**SUBJECT: Use of Employee Access Portals**

Per MAC Ordinance 117, the use of any employee access door to include the employee portals at Terminal 1 and Terminal 2 are only to be used in the direct performance of your job duties. **Use of these access points for the purpose of travel is strictly prohibited.**

Any MSP badged individual who is traveling must use a designated TSA passenger checkpoint. Any violation of this rule is grounds for revocation of your MSP Security Badge.

**Security at MSP is YOUR responsibility.**
